120 ECTS											

Capstone: final independent project

- **Applied project:**
 - Self-organised and self-supervised
 - Outcome with practical relevance

Why Capstone

- **Professionalism:**
 - Present yourself as experts in a field
 - Important in your future professional practice

- High:
 - 1 CP = 25 hours
 - Capstone: 15 CP = 375 hours (= appr. 9.4 weeks fulltime) – per person!

Option 1

Option 1

- **Internship:**
 - Individual
 - At least 9.4 weeks fulltime or equivalent part-time (working student)
 - Must have started after enrolment at UE!
 - Confirmation of your company required

Note: Full-time internships must be completed at least 50% on exam date to qualify.

Exam Option 1

- **Internship project presentation:**
 - 10-min in professional format
 - A project you implemented at work and how knowledge from your studies was applied/extended in solving a current practical problem
- **Exam slot:**
 - First examination slot (second to last session)*
 - Due date for exam materials: one week prior to that!

Option 2

Option 2

- **Applied research project:**
 - In groups of 3-4 members
 - **Interviews:** How AI is used in practice, focusing on one specific field (e.g., HR, Marketing, Finance, etc.) – practical insights, problems, learnings, recommendations.

Tipp: Zoom in deeply into a field to gain relevant insights.

Exam Option 2

- **Project presentation:**
 - 10-min in professional format
 - Practical knowledge you gathered from **5+ practitioners** and experts from one field (interviews + **contact details**): how AI is used + why, gains and pains, learnings, suggestions for improvements, recommendations
- **Exam slot:**
 - Second examination slot (last session)*
 - Due date for materials: one week prior to that!

Option 3

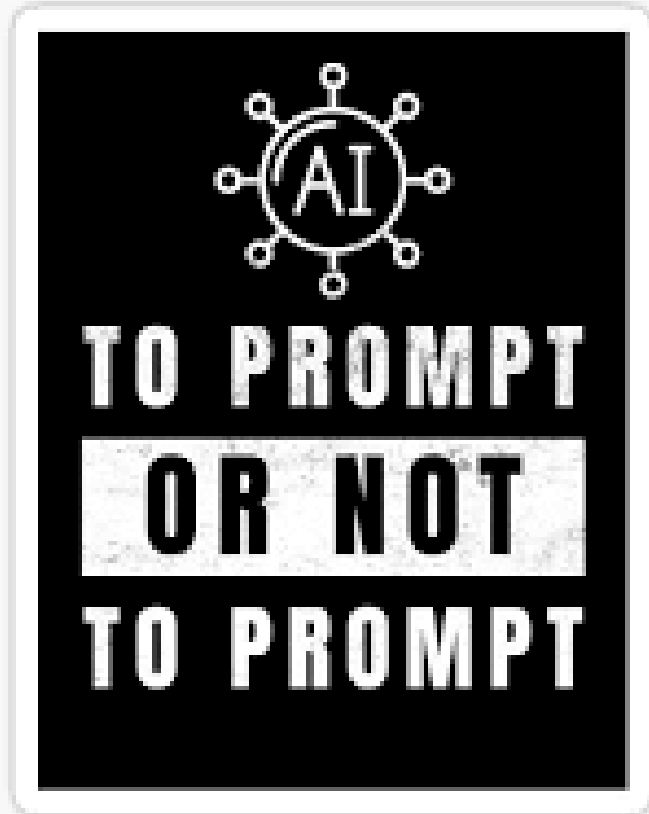

- **Applied sandbox project:**
 - In groups of 3-4 members
 - **AI tool:** for managerial use (e.g., HR, Marketing, Finance, etc.) – Own contribution, more than mere copies from existing tools!

Tipp: Zoom in deeply into a field to gain relevant requirements.

Exam Option 3

- **Tool presentation:**
 - 10-min in professional format
 - Tool explanation + demo, feedback from practitioners + learnings, business plan (Note: more than mere copies from existing tools!)
- **Exam slot:**
 - Second examination slot (last session)*
 - Due date for materials: one week prior to that!

AI-generated content is **not allowed** in the Capstone project.

Information must be either first-hand (Option 1+3) or second-hand (Option 2), not third-hand.

Structure of the module

Today: Introduction, team formation, planning, setup (self-organization)

Consultation slot I (digital)

- Optional, registration 1 week prior (email)

Consultation slot II (digital)

- Optional, registration 1 week prior (email)

EXAM slot 1: Internship presentations*

EXAM slot 2: AI-project presentations*

*...or vice versa – will be communicated in MS Teams

Exam Registration

- **Registration required for passing:**
 - Deadline: **31. October 2025 23:59h**
 - 1 Email (per team): all names + matriculation numbers
 - Subject: Exam Registration_Capstone_[Name/Team name]
 - Registration for either Option 1 or Option 2 or Option 3 project

First-come-first-serve (registration email).

No exceptions.

Consultation registration

- **Registration required for consultation:**
 - Deadline: **1 week prior to consultation slot (15.10. & 5.11. 23:59h)**
 - Subject: “Capstone consultation_[Name/Team name]”
 - Consultations are optional (but at least 1 is recommended)
 - First-come-first-serve.
 - Digital only

- **Open lecture format:**
 - Additional materials must be sent **1 week prior to exam slot (deadline!)**
 - For all Option 1 and Option 2 and Option 3 projects
 - Exam lectures are public: interested parties can join and ask questions
 - Exam slots: based on reception of registrations (due date: 31. Oct 25!)

Exam presentations are public

- **Professional format:**
 - Real, valid information
 - 9.4 weeks of work per person condensed into 10-min. professional presentation
 - Can include videos, demos, edits, animations, etc.
 - Interviews: document consent of experts (required for passing!)
 - Presentation open for interested audience

Additional exam materials

- **Additional materials required for passing:**
 - Option 1 project: internship confirmation by employer
 - Option 2 project: consent note of experts + contact details of experts
 - Deadline: **1 week prior to exam slot**
 - Sent to: **monique.goepel@ue-germany.de**
 - Subject: “Capstone materials_Option [1 or 2 or 3]_[Name/Team name]”

No exceptions.

The **presentation slides** are brought by the student at the exam date.

- **Summer term 2026:**
 - Requirements are the same as for the first attempt
 - Registration until 31. March 2026
 - Exam will be held in Summer 2026 (more information follows)

Presentation effectiveness criteria

Precondition: Person/team has registered and submitted required materials one week prior.

1. Topic and purpose are communicated clearly. Presentation is well-organized and easy to follow.
2. Presenter is well-prepared.
- 3. Presenter exhibits a deep understanding of a specialized topic.**
- 4. Presenter presents unique insights and extends knowledge base.**
- 5. Topic is well-researched and evidence is presented effectively.**
6. Materials/slides enhance presentation.
7. Time for presentation is used effectively.
8. Presenter speaks clearly/effectively (tone, pace, eye-contact, etc.).
9. Presentation engages the audience.
- 10. Presenter/team responds effectively to audience questions and comments.**

Thank you!
